KAYLEIGH BETH LINGAT

Here are just a few highlights from KB's career: She was an Adjunct Voice Professor at NYU, sang in opera choruses, starred in a weird Off-Off Broadway musical (we all have one of those), opened Kayleigh Beth Voice, connected with amazing voice students who inspire her daily, sang at various venues in many cabarets, learned that she had a love for dance (Hip-hop, Jazz, MT, Latin Jazz), helped lead two worship teams, worked at Vestar Capital Partners with some incredible humans, became a model for Elegantees, and married the man of her dreams! KB would love to thank everyone who as touched her life so powerfully here in the city. She would like to thank her amazing parents for always believing in her dreams. Thank you Every Nation NYC for the gorgeous event space.

Zach is a video director for Every Nation Church, NYC and volunteers with its worship team. He plays the guitar, piano, sings, and is wanting to learn how to play the drums. Even though videography and photography are his work, music has been his lifelong passion. He enjoys a wide array of genres from jazz, classical, pop, edm, r&b, hip-hop, k-pop, opm, electronic, but his favorite is indie music. Lastly, he loves to spontaneously harmonize with Kayleigh Beth and Mike, and sometimes randomly takes the soprano part.

## MICHAEL LINGAT

Michael and KB recently got married in April. They surprised their friends with a cover of “This Is What Dreams Are Made Of” after their first dance. Mike enjoys singing Pop and R&B. It has been fun for Mike and KB to be able to sing together at events and church, make music videos, and dance covers. The Lingat household is always singing and laughing. Mike wants to thank everyone that has come to support KB.

## CHRISTOPHER RIPSAM-WALSH

Christopher Ripsam-Walsh has been in NYC for 3 years, and has been loving the past year of lessons with Kayleigh Beth. He would love to thank his family, friends, and Kayleigh Beth for pushing him to express himself vocally and going on stage in front of an audience two years in a row.

## THANK YOU!

Thank you to every artist that participated in this show. I would not have been able to bring this to life with out your passion and your talent. I am so proud to know you. I love the line, “Because I knew you, I have been changed for good!” I can honestly say that I would not be the woman I am today without your kindness, your friendship, and your trust. I am so honored to be a part of your life. Let’s put on another one in Vegas!

To the audience: you have brought me so much joy being here in this room. It is so energizing to be able to share my heart and to share songs that have molded me into the artist I am today.

With as much love as I can give,

*Kayleigh Beth Lingat*
